Dear Principal

Greetings from ASN!

It gives me immense pleasure to extend my heartfelt gratitude for the participation of your school students in our online Fest- **ASN G20 International Fest @ India**. The event saw an overwhelming response from schools PAN India and abroad. The credit for the grand success of the Fest goes to the participants' creative and innovative entries under each event, reflecting their deep understanding of the various tenets of G20.

I now take this opportunity to further extend an invitation for the participation of your students in our forth coming event which is a part of the series of events under our fest **ASN G20 International Fest@ India- an Offline event**. The event is being held in **collaboration** with **United Nations Information Centre for India and Bhutan (UNIC)**, **Sustainable World Learners Foundation**, **Confederation of Indian Industry (CII)- Young Indians**, **Centre for Environment Education (CEE)** and **Foundation for Environmental Education (FEE)** on Friday, 21st July 2023.

The fest shall witness the participation of school students across the borders and will further build & broaden their understanding of Global affairs. The fest comprises of a myriad of competitions providing a platform for the **young learners to imbibe the spirit of working together to create a cleaner, healthier, peaceful, technologically competent, yet sustainably developed world** through their innovative ideas, actions and creative pursuits. Additionally there will be **ample opportunities for peer learning and broadening horizon**.

The last date for School Registration through the given link is Wednesday, 5th July' 2023.

Registration Link: <https://forms.gle/41orpfa1KjTo1qJDA>

Looking forward to your students' enthusiastic participation for a deeper understanding of global challenges and exploring viable solutions for a sustainable world.
